

FACE MASKS REQUIRED ON ALL BUSES

To help fight the COVID-19 pandemic, Riverside Transit Agency now requires all customers wear a face mask that covers their nose and mouth while on board. Customers who do not wear a mask will not be permitted on board.

The masks don't have to be hospital grade. They can be bandannas, fabric masks or neck gaiters. Other safety measures are in place, including a policy that requires customers to use only the rear doors of larger buses and a social-distancing requirement that limits the number of passengers on any bus to 10.

RTA is keeping service on the road for people who need it most. Whether you need a ride to work, the supermarket or medical facilities, you can rely on RTA to get you to your destination. Remember, only travel if absolutely necessary. Thank you for your patience as we all work together during this challenging time to maintain a healthy environment aboard our buses.

REMEMBER:

- Wear Your Facemask
- Board in the Rear
- Practice Social Distancing
