LINCOLN, Neb. (KLKN) – The Lincoln-Lancaster County Health Department announced the mask mandate that was set to expire Thursday, will now be extended.

The mask mandate now runs through November 24 in Lancaster County.

The COVID-19 risk dial remains in elevated yellow, which means moderate risk of COVID-19 spread and impact in the community.

Pat Lopez, Director of LLCHD, said 75% of Lancaster County residents over the age of 16 are fully vaccinated.

According to Lopez, there have been a total of 18 deaths from COVID-19 during the month of October.

Thank you for participating!
