 November 2021

The moment we have all been waiting for — to reunite as a community and celebrate our resiliency as a profession! Mark your calendar for the dental event of the year.

Join us **in-person** Nov. 11-13, 2021 at the **Washington State Convention Center** and **Hyatt Regency Seattle** for three days of world-class dental CE (earn up to 19 credits), a two-day exhibit hall, and — most exciting of all — the opportunity to reconnect with colleagues and friends!

As we plan PNDC 2021, bringing the dental community together safely is our top priority. We are tracking the status of the pandemic closely and will follow all state and local health guidelines to offer an in-person conference experience that prioritizes the health of our attendees and the community.

Additional PNDC 2021 details will be announced this spring. **Don't want to miss any updates? [Join our email list.](#)**
