2021 Offshore Technology Conference Postponed to August

Monday, November 16, 2020

Houston, Texas, USA (16 November 2020) – The Offshore Technology Conference (OTC) Board of Directors has chosen to postpone the 2021 event to 16–19 August due to the ongoing challenges presented by COVID-19 and out of the greatest care for the health and safety of our partners, attendees, exhibitors, staff, and community.

In the coming weeks, OTC will be communicating with authors, speakers, exhibitors, and partners to develop new in-person and virtual plans and ensure the conference continues to provide a platform for energy professionals to meet and exchange ideas.

By postponing OTC to the second half of 2021, we aim to preserve the significant work of the program committee and authors, as well as minimize the economic impact this decision has on businesses in Houston and throughout the industry.

We look forward to welcoming you to Houston in August 2021.

More information will be communicated as plans are finalized. Visit 2021.otcnet.org for the latest details.

###

ABOUT OFFSHORE TECHNOLOGY CONFERENCE

The Offshore Technology Conference (OTC) is the world's foremost event where energy professionals meet to exchange ideas and opinions to advance scientific and technical knowledge for offshore resources and environmental matters. Founded in 1969, OTC's flagship conference is held annually in Houston. OTC has expanded technically and globally with the Arctic Technology Conference, OTC Brasil, and OTC Asia. For more information, visit www.otcnet.org.
