RSAC 2021 pivots to 100% virtual.

With health and safety as our top concern, RSAC 2021 will be a fully virtual event taking place the week of May 17. Our goal is to deliver a stellar virtual experience that reflects what the community has come to expect from RSA Conference. [Read our blog](#) to learn more.

Hear more about our plans.

Linda Gray Martin, Vice President of RSA Conference, explains what we're most excited about and what you can expect for RSAC 2021.

This year's theme: Resilience.

Each year we select a different theme that acts as a guidepost as we build the framework for the Conference. This year, the theme is Resilience. We chose it because resilience is a quality that lives in all of us. It's what drives us to continue the fight, to search for new solutions, and adapt to new realities.

[Visit our theme page](#) to read more about Resilience and see themes from past events.

Call for Speakers is now closed.

All submitters and proposed participants will be notified on the status of their submission via email late-January 2021.
