Welcome to Black Hat USA 2020

Now in its 23rd year, Black Hat USA is the world's leading information security event, providing attendees with the very latest security research, development and trends. Black Hat USA 2020 will be entirely virtual this year, held over the same dates, August 1-6.

Conference Highlights

[Trainings](#)

Sat, August 1 - Tues, August 4

Provides hands-on offensive and defensive skill-building opportunities. These courses are taught by some of the most sought-after international industry & subject matter experts, with the goal of defining and defending tomorrow's InfoSec landscape.

[View Trainings »](#)

[Briefings](#)

Wed, August 5 - Thurs, August 6

Black Hat Briefings present cutting-edge research on information security risks & trends. Security experts from around the world will share their latest findings, open-source tools, zero day exploits, and more.

[More Information »](#)

[Business Hall](#)

Wed, August 5 - Thurs, August 6

Network with InfoSec professionals and evaluate a broad range of security products, open-source tool solutions and more. The virtual Business Hall offers unique opportunities for community engagement between vendors and attendees.
