We are excited to announce that this year's conference has been rescheduled to November 4-6, 2020 in conjunction with the 2020 NAA Assembly of Delegates meeting. Our main goal is to ensure a safe experience for **all** event attendees. Event details will follow in the coming weeks, but you can continue to expect top-notch educational sessions, exciting keynote speakers and robust opportunities to network at Apartmentalize.

We are also excited to announce that Apartmentalize will be adding a virtual component! This new option will allow you to have access to education sessions, networking opportunities and other cutting-edge content. Even if you can't join us in Dallas, we hope that you'll be able to join from wherever you are.

Stay tuned for additional details on virtual options and pricing.
