• 2020 Learning Forward Annual Conference

Registration is now open!

The Annual Conference is virtual for 2020 with more than 50 sessions on how professional learning can address challenges you face this year.

[Learn more](#)

- **Learning Forward builds educators' knowledge and skills to lead and sustain effective professional learning.**

Our learning programs provide strategies and tools to strengthen learning systems and build capacity at all levels.

[Annual Conference](#) [Virtual Professional Learning Opportunities](#)

- **Educators around the world use Learning Forward's Standards for Professional Learning.**

The Standards outline the conditions for and characteristics of professional learning that leads to improved educator practices and increased student outcomes.

[Our Standards](#) [Take Our Standards Assessment Inventory](#)

- **Our mission: Build the capacity of leaders to establish and sustain highly effective professional learning.**

Learning Forward members learn how to leverage professional learning to ensure every student has an equal opportunity to learn at high levels.

[Vision, mission, and beliefs](#) [Become a member today!](#)

- **Learning Forward's community of educators speaks up for policies that strengthen the field of professional learning.**

Policymakers need to hear why fully funding Title II is essential to creating schools where all students achieve at high levels.
