We are so thankful for how God and his people sustained us during the very difficult shutdown

Today marks one year since the Ark Encounter and Creation Museum reopened after the state's COVID shutdown—and what a difference a year has made! We're busier than ever (record crowds on many days), with thousands pouring in daily to both attractions in N. Kentucky to encounter the truth of God's Word and the gospel message.

Last year, we stepped out in faith to offer free admission to children 10 and under through 2020—but, of course, many families couldn't take advantage of that offer. So, we're offering children 10 and under free admission again this year. There's no limit to how many children you can bring for free. (Though, of course, the children must be accompanied by at least one adult.)

Thank you, our supporters, who continue to partner with us so we can reach millions of people with God's Word and the gospel.

Plan your visit today at **ArkEncounter.com** or **CreationMuseum.org**.

Thanks for stopping by and thanks for praying,
Ken
