# 124th Boston Marathon Postponed to September 14

Submitted by MDavis on Fri, 03/13/2020 - 13:38

The Boston Athletic Association (B.A.A.) has been meeting regularly with city and state officials to discuss all updates related to the coronavirus (COVID-19). Governor Charlie Baker declared a state of emergency on March 10, 2020. In consideration of this and guided by Boston Mayor Martin Walsh along with state and municipal government leaders at all levels to undertake all possible measures to safeguard the health of the public, the B.A.A. understands the city's decision that the Boston Marathon cannot be held on April 20, 2020. We offer our full support to take all reasonable efforts to postpone the 124th Boston Marathon to Monday, September 14, 2020.

“On matters of public health and safety we take our guidance from the officials entrusted with protecting the public in this area,” said Tom Grilk, C.E.O. of the B.A.A. “We understand our role, along with our partners, in ensuring a safe environment for all participants, volunteers, spectators, and supporters that meets the standards set by those officials.”

The B.A.A. has been cooperating with municipal leaders across the eight cities and towns through which the marathon course runs to coordinate the September 14 date for the 124th Boston Marathon. The B.A.A. 5K, which draws a field of 10,000 participants, will also be rescheduled to a later date.

“The B.A.A.’s mission of promoting health through sports, especially running, has guided our organization for more than a century. In collaboration with our many partners, we look forward to welcoming the world to Boston in September in celebration of the 124th Boston Marathon,” Grilk said.

Registered participants and volunteers will receive additional information in the coming days. As this is a rapidly evolving situation, further details will be forthcoming.

**This is a rapidly evolving situation and we know there will be many questions that we will look to answer in the coming days. We've set up a new email to respond to your questions as best we can: [FAQ2020@baa.org](mailto:FAQ2020@baa.org)**
