

Home (<https://apse.org/>) Events & Learning (<https://apse.org/events-learning/>) 2020 APSE Post-Conference

2020 APSE Virtual Conference

We're going virtual!

The 2020 APSE Pre-Conference will now take place after the Virtual Conference as a live online learning experience from August 3-21.

Register Today (<https://apse.site-ym.com/events/EventDetails.aspx?id=1380579>)

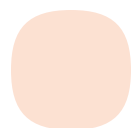

What Will It Look Like?

Occurring over a consecutive three-week period, the Virtual Post-Conference is an opportunity to deeply explore several pertinent topics related to Employment First directly with National Subject Matter Experts.

These workshop-style sessions are longer than the general conference sessions. Sessions will **be broken into one-hour sessions** (weekly for three weeks). These will be more of a workshop-based experience, with a maximum of 40 learners per course.

Unlike the main Virtual Conference, which will be available for on-demand viewing, these are **live only events**. Participants are **expected to participate in all three of the sessions** for a given topic for optimum learning to occur.

See the descriptions below for more information.

What's Included?

- Access to **up to 2 post-conference sessions**.
Select these when you register!
- A **live learning environment** with
Employment Support
Professionals across the
world!
- **One-on-one time** with
Subject Matter Experts
over a 3-week period
- **3 weeks of learning**, with
opportunities to
implement ideas into your
work during the week!
- Plan to use a webcam and
have audio capabilities to
fully participate.

Available Sessions

**Registration: Open
Through July 29th!**

Register for the Post-Conference (<https://apse.site-ym.com/events/EventDetails.aspx?id=1380579>)

Attendees already registered for the APSE 2020 pre-conference will automatically be registered for the post-conference.

No refunds will be given for cancellations. Should you want to transfer your registration to another individual, please email info@apse.org (mailto:info@apse.org) with the individual's information by July 29th.
